

**We have good news for our KaVo dental upholstery customers!**

In October 2024, the dental unit manufacturer KaVo released a new collection of artificial leather colors for dental upholstery. This change means that many previous artificial leather colors are being discontinued and are no longer available for reorder by existing customers.

DKL offers the most comprehensive range of KaVo artificial leather colors for older models of your **KaVo DENTAL UNITS** and **DOCTOR'S** and **ASSISTANT'S CHAIRS!**

As part of the collection changeover at KaVo, some colors of different types of artificial leather have the same name. We provide the following information to help you keep track and make the right choice!

**The DKL KaVo Artificial Leather Color Range**

<b>DKL-NR.</b>	<b>CORRESPONDS TO</b>	<b>DKL-NR.</b>	<b>CORRESPONDS TO</b>
